

# **SOCIETY OF SOUTHWESTERN AUTHORS SANTA CRUZ VALLEY CHAPTER**

## **Self-Publishing Services**

**Deborah Quintana**

Four years ago, Deborah implemented a new service for self-publishing. She quickly learned what was needed in order to support authors and provide them with the services to get their books ready for printing. She will share her skills and cover the sometimes scary topics of editing, formatting, cover design, and ISBN purchasing and registration. She will explain the resources available and detail the steps you need to take once the writing of your book is completed. It is Deborah's passion to help authors experience the complete joy of seeing their creation come to final form. Don't miss this educational and informative presentation.
